World's Naval News.

The British battleship Prince George best value ever offered. claims to have made the rastest time in coaling ship when on January 15 she took in 1,220 tons in seven hours, from 1:30 to 8:30 p. m.

The German Navy League was established five years ago with the sanction of the Emperor, who at that period took the first steps toward making an extensive naval program for "My Dear Brother: There are so many Germany. The functions of the league have been to promote a national interest in the naval defenses of the country, and it has done good work. the offer sent by the Bishop of Winchesoffering any opinion in the premises, Had The organization now numbers 559,141 your election been directly made by the members, against 246,967 a year ago, Synod, sanctioned perhaps by the King, and the number of branches throughout the empire has increased from 286 the matter would have been simplified.

to 1,010 during the year. As it is, there seem to me to be many Complaint is made in the Italian navy that the language of the country is not receiving encouragement as a study. It has hitherto been customary to have an annual competitive examination of the midshipmen in either French, German or Italian, the entries being optional, and for which there were \$50 prizes. Recently Italian has been withdrawn from the prize list, what to say. Did you not preclude me and a not unreasonable exception has been taken to ignoring the mother from taking personal matters into account I should say, if no relief can be

A court-martial has been held on the officers charged with the loss of the British cruiser Sybille, on the coast of Africa, about two months ago. Lieu-Minnesota, I should hope and pray that tenants Holland and Cayley were adsuch would be the course that things judged to forfeit five years' seniority, Gunner Tapps to forfelt six months seniority, and all, including Sub-Lieut. King and Synod, Bishops in England. Street, to be severely reprimanded and and what not, things are in such a dismissed from their ship. The closing snarl in those Islands that Solomon him- sentence would seem superfluous, as self would hardly hope to set them the ship lies partly on the rocks and partly in deep water, and is a total wreck.

The submarine boat question has become one of great importance, and is seriously considered since our navy has given encouragement to inventions in that line and ordered seven Hollands. No serious attention was apparently paid to the submarine boats of France, but the American boat will shortly be found in the British navy, and Admiral Boeresson, of the Norwegian navy, Bishop of Illinois, was in favor of his has recommended the purchase of a going. The opening seems to be of ob- Holland boat. That sort of craft is vious Divine guiding; and my impres- especially well adapted for the coast sion is very decided that you ought to and fjords of Norway, the admiral encourage the development of it, and contending that with one of these that we should meet the case by such submarine vessels, requiring only four expression and legislation, if needful, as men to operate it, it would be possible may be consonant with the breadth of to inflict more destruction on an enethe occasion. There seems to me to be my than with a battleship manned by no limit to the importance of the re-sults to be attained by it, ecclesiastical-Russia, but Austria and Germany are adverse to submarine craft, Admiral von Tirpitz of the latter navy, chief of the admiralty, having stated before the Reichstag that he was not prepared to withdraw his objections to building of such craft.
